President report: Season went on well and ended on a great note. Two teams went to the County tournament.

Treasure report: Current balance \$9,094.44. Bottle Drop account was transferred from non charitable to fundraiser account. There was \$225.10 transferred from prior account to new. With the fundraising the current balance is \$433. We did not have the field supplies funds that we needed in the past due to the dry season - less turface used etc.

Fields: Typically we use EO, WO, 242 and 232nd. Would like to use these fields again next season and for fall ball. Katie will put in request. East Orient could use water on/at the field for future use if we have a dry spring like this season.

Fall baseball: Some teams have shown interest. The coaches can reach out to their teams and put it together.

Will put together dates for incoming board members.

Website - we need someone to take over this position for future.

Only attending board is voting on the following positions

Katie nominated Jeff Sinigaglia for Area Head - Jesse second - board approved.
